What's next? This bill moves on to the full House where it will be voted on. If it passes, it moves on to a Senate committee and then on to the full Senate. But the great news is this bill is MOVING! Let's keep up the momentum!!!!

How can you help? Write, call, fax or email your State Representative and ask him to please vote in favor of H.B. 4663. when it reaches the House Floor.

## Spay/Neuter Program in Full Swing!

We have had a wonderful response to our spay/neuter program. Just last week we had 23 pets & families that we were able to offer services to.

Our next surgery dates are Tuesday, August 3rd and Thursday, Sept 9th. A huge thank you to [ALL ABOUT ANIMALS](#) - without them we would not be able to offer this wonderful program!

We are also looking for donations to help families in the area that are less fortunate to spay/neuter their pets. If you would like to help subsidize a surgery for a low income family, see below on how to donate. Please note "SPAY/NEUTER PROGRAM" on your donation.
