"Speaking For Those Without A Voice"

March 6, 2011

**LOW INCOME SPAY/NEUTER
PROGRAM STARTS NOW!**

Do you know a low income pet owner that needs help getting your dog or cat fixed? Voiceless-MI can help! Voiceless-MI is working with the new Capital Area Humane Society spay/neuter clinic at 5919 S. Cedar Street in Lansing. We are offering subsidized/discounted surgeries for low income families. If you are low income and need help getting your pet fixed, please visit our website and fill out a form [HERE!](#)

Plenty of time for you to still sign up to be an advocate for Michigan shelter animals! [Michiganders for Shelter Pets](#) was created in January of 2011 by animal advocates around the state to help bring together Michigan voters, animal shelters, animal protection organizations, businesses and professionals in a coordinated effort to advance the welfare of Michigan shelter pets.

Will you join our coalition and help us protect our state's shelter pets?
